

HRTC Events policy and procedure

Purpose

This policy outlines the conditions under which functions may be held at the Hobart Real Tennis Club (HRTC) by both Members and non-members.

Applications should be reviewed on merit and assessed against stated and acceptable criteria.

Enquiries to hold functions at the Club by non-members are regularly received, and these should be considered against the guidelines in the Schedule of Fees attached.

Policy

Responsibilities of the Committee for assessing applications for events:

- Our first priorities are to Members enjoying tennis and as custodians of the facility
- Club social events are regularly held for Members to build engagement and camaraderie
- Club functions are organised and sponsored by the Club for the benefit of all Members and have priority over applications for private functions
- Club functions can have a profile-raising role either to promote the Club and tennis, for example to encourage new members or as fundraising activities
- The Club must comply with any Public Health restrictions (due to COVID or otherwise) when assessing any application
- Any application to hold an event either from a Member or non-member must be considered against risk management criteria for example damage, fire, security

Assessment process

Requests to hold a private function are regularly received by the Head Pro.

These should be referred to the Chair of the Events Committee for decision or discussion with the Committee Executive if not straightforward.

The Chair Events Committee will communicate the decision on their application to the enquirer.
